TransCen, Inc. is a 501(c)(3) organization that is dedicated to improving education and employment success of youth and young adults with disabilities. We are a small, but impactful organization consisting of go-getters and innovators who are determined to make a positive change!

We are looking for a mission driven team member to fill the position of Employment Consultant in our Rockville, MD office. The role of Employment Consultant is to develop relationships with business community and match the needs of employers with the talents of job seekers with disabilities to secure work-based learning experiences (WBLE) and employment opportunities for youth and young adults with disabilities. In addition, the role includes establishing, developing, and maintaining relationships with various funding sources to ensure continuous client referrals while creating opportunities to expand services.

The Employment Consultant will spend the majority of time in the community making connections while working out of our Rockville, MD (by the Twinbrook Metro) office. You will work collaboratively with the Rockville, MD team along with our Milwaukee, WI and San Francisco, CA teams.

Reports to
President

Weekly Hours Worked
40 hours a week

Requirements
Primary
- Manage an active caseload of approximately 18-20 youth and young adults seeking WBLE and employment
- Work with job seekers to assess skills and interests, write evaluations, provide career counseling, develop job search plans, outreach to employers and negotiate WBLEs or job opportunities
- Develop and maintain strong relationships with funders, clients, families, school systems, employers and other community stakeholders
- Facilitate workplace tours, job shadows, internships, and employment opportunities for clients
Utilize customized employment strategies to assist job seekers in obtaining employment using “out of the box,” creative strategies

Coordinate transition between employer and job seeker for WBLE and placements (e.g., employer agreements, client needs for support)
